

**Hum tere bin ab reh nahin sakte
Tere bina kyaa vajood meraa**

I can't live without you now,
What's my existence without you..

**Tujh se judaa gar ho jaayenge
To khud se hi ho jaayenge judaa**

If I get separated from you,
I'll be separated from my own self..

**Kyonki tum hi ho
Ab tum hi ho
Zindagi, ab tum hi ho
Chain bhi, meraa dard bhi
Meri aashiqui ab tum hi ho**

Because you alone are,
Now you only are,
life. You're my life.
My peace, and my pain,
you alone are my love..

**Teraa meraa rishtaa hai kaisaa
Ik pal door gawaaraa nahi
Tere liye har roz hain jeete
Tujh ko diyaa meraa waqt sabhi
Koi lamhaa meraa naa ho tere binaa
Har saans pe naam teraa**

How's this relationship of ours,
I don't like distance of even a moment
Every day, I live for you
All my time is for you..
There shouldn't be a moment of mine without you,
There is your name on every breath..

**Tere liye hi jiyaa main
Khud ko jo yoon de diya hai
Teri wafaa ne mujh ko sambhaalaa
Saare ghamon ko dil se nikaala
Tere saath mera hai naseeb juDaa
Tujhe paa ke adhoora naa raha**

For you, I lived
I have given myself (to you)
Your faith [actually means 'my love for you' here] took care of me
Took all the sorrows from (my) heart
With you my fate is attached,
Getting you, Nothing is incomplete (within me, I got completed)..
